Antigone Graphic Novel Rubric

Remember, if your book has been made into a graphic novel, do not copy the original! Recreate the story in a graphic novel (i.e. comic book) format (use plain, white paper). Choose the most important scenes and tell the story. Your graphic novel should include title, author, color, graphics, creativity, effort, dialogue, and an explanation of what you tried to convey (on back). You will need at least 12 panels. Each panel should contain dialogue or text and color.
